HCI is here to help you through your cancer journey to better health!

The bi-weekly support groups conducted by Dr. George A. Vroulis, a Clinical Psychologist and Neuropsychologist, and professional lecture by an HCI physician are free and open to the public, HCI patients, and their families.

Look Good...Feel Better is a wonderful program conducted by the American Cancer Society that provides cosmetics and accessories and teaches tips on using them. There is no fee for patients to participate.

Dietitian Debra Latimer holds ADA nutrition classes on diabetes and cancer. Class is covered by insurance.
